RELATED PROFESSIONAL EXPERIENCE

ARAGON HIGH SCHOOL-San Mateo, CA

2019-2020

Ceramics and Digital Photography Teacher

-Taught Ceramics and Digital Photography to 9th-12th graders.

-Created relevant curriculum around social issues and Art History utilizing *Studio Habits of Mind*.

-Taught Visual Thinking Strategies to promote reflection and deeper understanding of art processes.

THURGOOD MARSHALL HIGH SCHOOL-San Francisco, CA

2018-2019

Ceramics Teacher

-Taught Ceramics to 9th-12th graders. Taught basic construction and sculpture techniques designed around concepts that promote critical thinking.

-Collaborated with a History teacher to create a Holocaust Memorial public art installation.

JAMES LICK MIDDLE SCHOOL-San Francisco, CA

2016-2018

Visual Art Teacher

Taught Visual Arts (ceramics, drawing, painting, sculpture, digital art, fiber art) to 7th and 8th graders.

Developed choice-based curriculum in which students utilized flipped lessons to self-pace through “studios” designed to encourage the material experimentation and skill development needed to express creative ideas and instill studio habits of mind.

-Led the design and creation of public art work which combined 85 student-created relief tiles for ceramic

OTHER EXPERIENCE

Board Member of Precita Eyes Muralists of San Francisco (2012-2014): As the secretary and head of fundraising committee, I worked to secure multiple donations and murals, as well organized 35th Annual Gala.
